Power Project at Pipavav in Gujarat

1647. SHRIMATI URMILABEN CHIMANBHAI PATEL: Will the Minister of POWER be pleased to state:

(a) whether a proposal of the Gujarat Government for setting up of a 2000 MW power project at Pipavav in Gujarat, with private participation, is under consideration of the Central Government;

(b) whether it is a fact that some concessions are proposed to be given to the power plant;

(c) if so, the details of the concessions; and

(d) by when the proposed power plant would be commissioned?

THE MINISTER OF POWER, MINISTER OF PARLIAMENTARY AFFAIRS AND MINISTER OF NON-CONVENTIONAL ENERGY SOURCES (SHRI P.R. KUMARAMANGALAM): (a) to (c) No, Sir. However, the Central Government, under its revised mega power policy announced some time back, has identified a 2000 MW mega power plant at Pipavav to be set up through the private sector. The projects identified under this policy are being given certain concessions which include exemption from customs duty for import of capital equipment, deemed export benefit to the indigenous manufacturers of equipment for these projects and tax benefits. A Power Trading Corporation is proposed to be set up for purchase of power from these mega projects.

(d) Commissioning of the proposed power plant would depend on the various inputs/ clearances being tied up and financial closure being achieved.
